IMPORTANT NOTE For the fall league, any players who were placed on a spring 2024 team will be eligible to return to their same team. Any players who are considered “new” in the fall will not return to the same team for the 2025 spring league. Any players considered “new” in the fall will not return to that same team next fall. Players are considered “new” if they are new to the league or new to an age group. If there are fewer teams in a fall age group than there were in the spring players from one team may be placed in the draft.

York Parks and Recreation Department is pleased to have your child as a participant in our girls softball program. This information is provided to acquaint our parents with the way in which this year's program will be structured. Some of the guidelines we follow are set by the NFHS softball rules. Other rules were developed with input from our coaches and staff.

When you register your child, there are a number of forms in which you will be required to complete. These include:

1. Registration Form
2. Waiver of Liability Form
3. Parent's Code of Ethics

BIRTH CERTIFICATES

Effective February 1, 2010, a copy of each participant’s birth certificate must be on file with York Parks and Recreation Department no later than Friday, July 19, 2024, at 4:00 p.m. or your child will not be placed on a team. This includes participants that have played in previous seasons and other programs sponsored by York Parks and Recreation Department.

FEES/REFUNDS

Registration fees will be collected by York Parks and Recreation Department at the time of registration. Methods of payment accepted are cash, check (payable to York Parks and Recreation Department), Visa, MasterCard, and Discover. **Please note that a fee of \$2.00 will be charged to all credit card payments.** Financial assistance is available. Once registration deadline has been reached, a waiting list will be formed. Anyone on the waiting list will not be eligible for a team unless it has been deemed necessary by York Parks and Recreation Department. The waiting list will be referred to in the order that the names are received and no preference will be given to any names on the list.

AGE GROUPS

Our program is divided into (3) different age divisions: 8 & Under (ages 6-8), 10 & Under (ages 8-10), 12 & Under (ages 10-12) A participant's age as of December 31, 2023 determines the age division that the individual is allowed to play. All players must play in their own age group.

League age 8 year olds have the option to play 8U or 10U. League age 10 year olds have the option to play 10U or 12U. This must be determined at registration. No other exceptions will be made. Once a player has been placed on a team, no changes will be made. A player may only play in one league and will not be allowed to play in another age group at any time during the regular season or post season.

All players that played on a 2024 York Spring team may continue playing with their team in the Fall league.

All new players must attend a Skills Review to be evaluated by the coaches. Players should bring a glove to the skills review. Participants that do not attend the Skills Review will be placed “in the hat” and coaches may only select these players not in attendance by drawing them out of the hat at any time.

All participants are eligible for the Fall league, regardless of their residence. All teams will operate as York teams; no teams will be formed from players residing in a particular community or area

If a parent does not want their child to return to the same team as the previous year, the parents must give a written explanation for the request to York Parks and Recreation Department which will be shared with the coach of the previous year’s team. This request must be submitted to staff before Friday, July 19, 2024. The player will enter the appropriate draft and her name will be placed “in the hat” and will be randomly drawn by the coaches during the draft process. The player is eligible to return to the same team as the previous year unless York Parks and Recreation Department and coaches determine that there is a serious issue and returning to the previous year’s team should be avoided.

SKILLS REVIEW

All new players must attend a Skills Review. Skills reviews will be held Saturday July 27th, 2024 at the Recreation Complex, 74 4th St. Parents will be notified of the time of their child’s skills review as soon as it is set. The skills review will last roughly an hour. In the event of rain the skills review will be moved into the Rec Center. Players should bring a glove. Coaches will meet immediately after the skills review to conduct the draft. Participants that do not attend the Skills Review will be drafted by a team by placing their names in a “hat” and coaches may only select those players not in attendance by drawing them randomly out of the hat at any time during the draft process. Coaches will contact players concerning their team assignment and practice.

Please contact the Recreation Center at 684-3742 for picnic shelter availability or to reserve the York Recreation Center.

PARENT INFORMATION

Attending all practices is a very important part of any athletic program and is a very important requirement to coaches. Players that do not attend practice are not able to learn or prepare for a game. Coaches have the right not to play a participant because of not attending practice or disciplinary reasons.

If a parent is not satisfied with their child's playing time or other decisions made by the coach, parents are encouraged to first discuss these issues with the coach before or after the game or practice and not during the game or practice. York Parks and Recreation Department is also available to assist parents if there is a concern after talking with the coach.

MINIMUM PARTICIPATION REQUIREMENT

To ensure that every child gets a fair amount of playing time, each child is required to play at least three (3) consecutive outs on defense for 10U and 12U and six(6) outs on defense for 8U and complete one (1) time at bat. However, this rule does not apply to shortened games due to the time limit, run rule, inclement weather, etc.

Coaches are encouraged to play each child as much as possible. However, there may be situations when a child does not play in a game due to the time limit, run rule, inclement weather, etc. If a parent is not satisfied with their child's playing time or other decisions made by the coach, parents are encouraged to first discuss these issues with the coach after the game or practice and not during the game or practice. York Parks and Recreation Department staff is also available to assist parents if there is a concern after talking to the coach.
